30.07.11 bis 13.08.11

Samstag, 30.07.11

Heute sind wir alle angekommen und haben unsere Zelte bezogen.

Danach haben wir gevespert und Kennenlern-Spiele gespielt, die teilweise merkwürdig waren!

Anschließend gab's Abendessen (Tortellini) und wir durften uns frei beschäftigen (Volleyball, chillen, Fußball, schaukeln, ...).

Der Tag war sehr schön und wir freuen uns auf den nächsten Tag und auf die Waliser, die übermorgen kommen werden.

Nachts war es dann sehr kalt.

Sonntag, 31.07.11

Nach einer kalten Nacht im Zelt, saßen wir alle tiefgefroren beim Frühstück.

Danach wurden wir in Gruppen fürs Interkontinentalspiel eingeteilt.

Als wir uns kurz (von 10 Uhr bis 16 Uhr) aber intensiver vorbereitet haben, präsentierten wir unsere Ergebnisse.

Sieger waren die Mainzelmännchen.

Bis zum Abendessen hatten wir dann Freizeit.

Das Abendprogramm bestand aus dem Spiel „Grand Prix“ und Organisatorischem.

In the afternoon we played an outdoor game. We had to find out who's Rebecca because she should marry Isaak.

In the evening we went to an open-air-cinema in Ludwigsburg to watch the English movie "Rocky Horror Picture Show". It was an interactive movie where you could throw with toilet paper, rice and toast.

Today we had to wake up at 7:30 am because we went to Leonberg.

There we were welcomed by the mayor of Leonberg.

She told us something about the history and the economy of Leonberg. The speech was very interesting and we got there something to eat and drink.

The normal program was that we all go to the Leobad (pool) but in the morning the weather was not so good and so we went to the Leo-Center. There we had two and a half hours time to go shopping. Then we drove back from Leonberg to the camp.

Then we had free time until six o'clock.

At six o'clock we learned a few dances for example: Chachacha, Salsa, Disco fox, Walcer. We danced till nine o'clock.

From nine o'clock to eleven o'clock we could do whatever we wanted to do.

In the evening we played football. We were divided up into four teams and it was very funny. After that we had a bit free time then we had dinner and finally we had to go to bed.

Ps: Tripsdrill was very good 😊.

G'sengte Sau, Mammut and the waterslide were the best events in the park.

Today we had to wake up at 9.00 am because breakfast was at 9.30 am.

At 10.15 am we made team games. We had to build a marble run.

Afterwards we went over to the rope which was stretched between two trees.

The aim was it to come over the rope without touching it and meanwhile we had to hold each other hand. At 1.30 pm we had lunch.

In the afternoon we had time to dress up for the Caribbean night.

At 6.15 pm we had dinner which was followed by the start of the Caribbean night.

The different tasks of the Caribbean night were first making an own cocktail with juice. Next one was tag with tied feet while Robin and Tom chased us.

After that we had to present ourselves to the jury Albi and Hannah. This was followed by the limbo. The winners of the limbo had to end up doing one more final challenge. They had to tell their partner how much they love her/him .

And the lucky winners were Janina and me(Craig).

Today after breakfast we drove to a train station where we went on a historical train.

We drove with it to a little village where we could walk around and ate something.

Back at the tent camp we practiced for the talent show.

After dinner every group finished preparing for the talent show.

At the talent show there had been a lot of young talents . The slogan of the show was "Ebnisee searchs talents".

The winners were Sofa, Lissi and Pia with the song "Grenade" by Bruno Mars.
All in all the day was great and the leaders are all very nice.

Monday, 08.08.11

We woke up at 7 o'clock. Breakfast was at 8 o'clock and we left at 10 o'clock the tent camp. We drove about 3 hours from "Ebnisee" to the mountain shelter "Alpe obere Kalle". When we arrived at the valley station it rained. We drove up the mountain with a chair-lift. Then we had to walk 15 minutes before we finally arrived at the mountain shelter.

At the shelter Albi told us about the rules and showed us our bedrooms. James and the other boys were sleeping in stable next to a cow. My bed (Anna) is next to Selina and Tatjana.

For dinner we had soup and "Gulasch". Later the evening we had fun with some games and Benny was the talk master. The team of Marleen, Clara, Georgia, Craig, Corey and Avid won with the biggest amount of points. At 11 pm all the members had to go to sleep.

Tuesday, 09.08.11

Today we had to be at breakfast at 8 o'clock. The boys woke up very early because 2 donkeys and a cow were sleeping with them in the stable. The girls could sleep very well because they were sleeping in the shelter in rooms without animals.

After we had breakfast we went to the high-rope garden. We had 3 hours to climb there but after 2 hours it started to rain. Because of the rain the most members and leaders went back to the shelter.

After lunch we normally had to go for a long walk (3-4 hours) but because of the rain we couldn't go. So we started an afternoon replacement program. It was a team game.

In the evening we played "Germany's next fake couple".

The winners were Silvia & Robert.

Janina, Clara

They tasted very good.

On Thursday we played the game Gladiators which consisted out of different mini challenges. After the game we had some free time which was good because we had more time to say goodbye.

Afterwards the leaders played some highlights and funny things of the exchange.

Later that evening we had a "leaving party" which was very funny.

Everyone enjoyed the disco but simultaneously everyone was sad about the upcoming departure of the welsh group.

Today we had to say goodbye. At ten o'clock we had our last breakfast together.

After it the welsh group packed their things together and put it into the buses.

We enjoyed the last time together with our welsh friends.

After lunch we drove all together to the airport. There the tears flew like waterfalls.

Last photos were made and everyone was sure about coming next year again on the exchange.

Goodbye

Back at the camp we ate dinner, made a little feedback and sat together around the fireplace.
